Dear Union Grove Members, Friends, and Family:

First, let me wish you a Happy Veterans Day. I truly appreciate working with veterans and caring for the veterans who live here and their families. It's an honor to serve our nation's heroes.

Since we updated you yesterday, we have had two members and one employee test positive for COVID-19. Currently we have twenty cases of COVID-19 on campus (fourteen members, six employees).

As a reminder, when we have cases of COVID-19 in our facility, we are required to limit visitors. If you are planning on visiting a member, you should double check the unit's status by calling ahead or checking www.WisVetsHomesCOVID.com.

Finally, let us all continue to take precautions against the virus by staying home as much as possible, wearing a mask when out, remaining six feet away from others, and frequently washing our hands.

Sincerely,

Syble Barry
